About Unicom TIC

Unicom TIC is not just a Training and Innovation center; it's a gateway to your future in technology that's rich with opportunities. Our commitment lies in making top-notch training and innovation accessible to all. The full program fee per student is LKR 925,000, but don't worry, we've already secured 100% of the funding from the UK to fuel your journey to success.

Meet the Team

W. ShanthaRuban

W. ShanthaRuban, a visionary and an eminent figure acclaimed among the World's 100 Global Tech Innovators stands as a visionary serial tech entrepreneur and the Founder of 5 tech companies in the UK.

Dr. Neil Anthony-Pillai

Dr. Neil Anthony-Pillai's IT career commenced at the National Institute of Business Management (NIBM) in 1981. Dr. Anthony-Pillai has contributed his skills and expertise to projects across the globe, including work with Médecins Sans Frontières and multiple blue-chip companies.

Jon Guffaston

Renowned as one of the world's foremost technicians, Jon brings a wealth of technical expertise to Unicom TIC. His primary focus is on preparing every student for the demands of the industry, guaranteeing that certificates are endorsed directly from the CTO's office in the UK.
