Unicom Tic

Education center

Unicom TIC is not just a Training and Innovation center; it's a gateway to your future in technology that's rich with opportunities. Our commitment lies in making top-notch training and innovation accessible to all. The full program fee per student is LKR 925,000, but don't worry, we've already secured 100% of the funding from the UK to fuel your journey to success.
